

SUPPLEMENT TO THE

# Public Accounts

## Province of Nova Scotia

for the fiscal year ended March 31, 1999

The Public Accounts of the Province of Nova Scotia reflect expenditures, net of the Harmonized Sales Tax, on an accrual basis. In this publication payments are reflected on a cash basis. Accounts Payable and other adjustments are indicated to reconcile cash payments with the accrued charges to Appropriations.

Transfer to (or from) other Accounts indicates that a portion of the payments have been charged to other departments.

Accumulative payments to individuals and suppliers within the fiscal year are reported as follows: Salaries - \$25,000 and over; Travel - \$3,500 and over; and all other payments - \$5,000 and over.
